Really Beyond Help.

Confucius, the Chinese philosopher, though he lived nearly 2,500 years ago, said many things that are true today, among them this: "When a man has been helped around one corner of a square and cannot manage the other three, he is unworthy of future assistance."

Why Contractor Wears Derby Hat.

A New York contractor always wears a derby in tunnel work, because it acts as a bumper and protects his head in crowded quarters. A soft hat is little protection when one's head strikes against the timbering of a tunnel.—Engineering Record.

To get the genuine, call for full name, LAXATIVE BROMO QUININE. Look for signature of E. W. GROVE. Cures a Cold in One Day. Stops cough and headache, and works off cold. 25c.

DRY CELL BATTERY USEFUL

Employed in Important and Almost Innumerable Ways—its Inventor is Unknown.

For a common and apparently simple little object the dry cell battery has a multitude of uses and plays an important part in the work of man. The automobile, motor boat, wireless telegraphic apparatus, Christmas tree festoons, electric toys and trains, electric engines, local bell, telephone and annunciator systems, miniature lighting equipments, medical batteries and vibrators, electric alarm clocks, burglar alarms, automatic door openers, safe cracking devices, infernal machines in their many forms, devices for setting off dynamite explosions in excavations, the various testing outfits and electric clock service, to say nothing of the divers ways that it is used in scientific experiments, are a few of the most obvious of its applications.

In its manufacture there are about as many processes as are necessary in the making of a tungsten lamp, and the machinery that makes it and compounds the ingredients that go into it is wonderfully interesting. So exact is the formula applied to each shell that when completed a battery will register up to a uniform amperage. The exact origin of the dry battery is uncertain, many inventors having claimed the honor.

Do-do-lax Banishes Pimples

Cheerfulness.

What, indeed, does not that word cheerfulness imply. It means a contented spirit, it means a pure heart, it means a kind and loving disposition, it means humility and charity, it means a generous appreciation of others and a modest opinion of self.—Thackeray.

How To Give Quinine To Children.

FEBRILINE is the trade-mark name given to an improved Quinine. It is a Tasteless Syrup, pleasant to take and does not disturb the stomach. Children take it and never know it is Quinine. Also especially adapted to adults who cannot take ordinary Quinine. Does not nauseate nor cause nervousness nor ringing in the head. Try it the next time you need Quinine for any purpose. Ask for 2-ounce original package. The name FEBRILINE is blown in bottle. 25 cents.

Salt as Cleaner.

Children Cry FOR FLETCHER'S CASTORIA

At the Summer Resort.

"Do you know the name of that handsome young man over there?" "No, ma'am. I'm a new arrival here myself." "Dear, dear, how embarrassing. I was engaged to him last summer and for the life of me I can't think of his name."—Detroit Free Press.

SPECIAL TO WOMEN

The most economical, cleansing and germicidal of all antiseptics is

Paxtine

A soluble Antiseptic Powder to be dissolved in water as needed. As a medicinal antiseptic for douches in treating catarrh, inflammation or ulceration of nose, throat, and that caused by feminine ills it has no equal. For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been cured say it is "worth its weight in gold."
